## Message from the President

I want to thank everyone that helped make our Specialty a great success. Once again we had excellent judges and a very good entry. The trophies were a great hit too.

Now it is time to start work on next year's show as it will be in conjunction with the AMSC's 2012 traveling Specialty March 23, 2012. Their show will be in the morning and ours will be in the afternoon. The entries should be large and make this an all day affair. We will need lots of help.

The 10<sup>th</sup> annual Schnauzer Roundup will be in October and plans are in progress for this event. If you have items to donate to the Raffle, please contact Evelyn Hoover. We have some special upcoming programs in the works so watch your e-mail for details.
